Welcome

From Our Headteacher

As Headteacher at Dean Trust Rose Bridge, I am privileged to work with an incredible group of adults and children. Our vision at DTRB is to provide a school that the community is proud of and rightly deserves. We are very proud of not only the curriculum on offer here but also the extra-curricular and enrichment opportunities that we provide to our pupils too. We are unwavering in our expectations of pupils and have high aspirations for all.

Our common purpose is dedicated to helping children develop into confident, successful and responsible adults who are able to play an active part in society, regardless of their background or prior achievement. To do this, we strive to ensure that every child has the opportunity to reach their full potential and is empowered to be employable in the future through a variety of routes including university, training or apprenticeships.
