Welcome

From Our Headteacher

Broad oak School is at the heart of our community. It is a school which offers a wealth of exciting opportunities and experiences for our young people.

At Broad oak, we offer a broad, balanced and aspiring curriculum. Our curriculum ensures that our young people are challenged as well as providing them with the springboard to follow a wide range of pathways and opportunities when they leave us at 16.

We have consistently high standards which are understood and appreciated by all members of our school community. These high standards are evident from the moment you enter our school and are a major factor in driving the school forward to continued success.

Broad oak has a team of staff who are professional, passionate and committed to providing an excellent education for all of our young people. Teaching and Learning and pastoral care are a considerable strength of the school and ensure that our young people are prepared for life beyond Broad oak.

Our record of improvement and strong examination results bear testament to our everyday practice. We would welcome the opportunity to allow you to experience our great school for yourselves.
