Welcome

From Our Headteacher

We always place children at the heart of our planning and we pride ourselves on the relationships that our staff have with our pupils, caring for them throughout their education. All of our work is founded on simple principles and a 'no nonsense' approach towards education, with respect at the heart of our work. To achieve this we strive to employ, retain and develop the best possible staff who also believe that every pupil can do their best given a chance and encouragement. In addition, we also strive to deliver a first-class education based on high quality teaching, support and experiences outside of the classroom.

At The Dean Trust we believe that success should be measured by both academic progress and achievement and also by one's personal and social development, contribution to our community and to society. We also work closely with families to ensure that all our pupils are committed to learning and develop the character necessary to take advantage of all of the opportunities we provide.

We very much welcome visitors and I strongly encourage you to arrange a visit so that you can experience Dean Trust Wigan first-hand. I look forward to welcoming you to Dean Trust Wigan.

Admission

This school has its own admission policies for Year 7 to 11

Dean Trust Wigan is an 11-16 mixed sex comprehensive school at the heart of our community; a friendly and inclusive school, with high expectations and high standards for staff and pupils alike. We are a rapidly improving school and have in the last 12 months made great strides in improving pupil attendance, adherence to routines and enriching our curriculum. Testament to this is our recognition as a Rainbow Flag school. This recognises us as an inclusive environment for our LGBT+ community. We are proud to recognise and support our LGBT pupils and their allies through our pupil voice, curriculum offer, pastoral care and within our wider community of governors and parents.

Dean Trust Wigan also holds Rights Respecting Schools Silver status, one of only 4 secondary schools in the North West. The Award recognises achievement in putting the United Nations Convention on the Rights of the Child at the heart of a school's planning, policies and practice. A Rights Respecting School is a community where children's rights are learned, taught, practised, respected, protected and promoted.

We are embedding our Community of Belonging, ensuring that all children feel seen and heard, and are clear on how to behave in order to become the best version of themselves. If you would like to be part of our journey, and in securing excellent personal and academic outcomes for all of our pupils in a 'High Trust, High Challenge and High Support' professional environment, we would love to hear from you!

“The school has high expectations for pupils’ academic achievement, including for pupils with special educational needs and/or disabilities (SEND). The needs of pupils with SEND are quickly and accurately identified.”
